Note: The Lorain County Board of Mental Health ceased to exist as of July 16, 2019. Through a merger with another organization, it became the Mental Health, Addiction and Recovery Services (MHARS) Board of Lorain County. The new entity brings together the expertise, resources and proud histories of the Alcohol and Drug Addiction Services Board of Lorain County (ADAS) founded in 1989 and the Lorain County Board of Mental Health (LCBMH) founded in 1967.
