

Community Health Improvement Plan Substance Use Priority Team

MEETING AGENDA and NOTES

2/7/2020, 8:30am-10:30am

Amy Levin Center

AGENDA ITEMS	DISCUSSION	ACTION/ FOLLOW-UP ITEMS
<p>Introductions</p>	<p>(list names and organizations of attendees or attach sign-in sheet)</p> <p>Christine Robinson, Elaine Georgas, Sarah Reinhold- MHARS Board Staff; Sara Tillie- LCPH; Pam Waite- MHARS Board Member; Tom Stuber, Dan Haight- The LCADA Way; Wadie Shabab-Cleveland Clinic Children’s; Melanie Williamson-Let’s Get Real; Catherine Woskobnick; Tammy Smith- Mercy Health; Tiffany Balderas- Cleveland Clinic Family Medicine; Scott Petersen, Jenny Evans- Cleveland Clinic Avon Hospital; Rosemary Miles- Cleveland Clinic Community Relations; Rebecca Jones- The Nord Center; Janice Wolfe- LCDJFS; Nicole Hold- Lorain County Health and Dentistry</p>	<p>CR: Ensure email list is updated to include all participants</p> <p>CR: Utilize Outlook invites for future meetings and send these for the remainder of the calendar year</p>
<p>Agenda Item 1</p>	<ul style="list-style-type: none"> ● CHIP Tracking System- Clear Impact <ul style="list-style-type: none"> ○ Introducing the scorecards ○ Identifying appropriate measures to complete the scorecards <p>Christine introduced the Clear Impact Scorecards that will be utilized for data tracking of all the CHIP Priorities.</p> <p>The following was discussed regarding goal measures:</p> <p>Goal 1- Tobacco Reduction:</p> <p>-Is the number of tobacco Retailers a useful measure? What is the definition of “tobacco retailer” and does this include vape shops that do not sell other traditional tobacco products. Would it be useful to look at retailers and/or retailer policies within a defined radius of school?</p>	<p>Goal 1:</p> <ul style="list-style-type: none"> ● CR: Continue to build out scorecards utilizing the feedback from this meeting ● CR to follow-up on answers to the questions that arose when discussing tobacco retailers. <p>Goal 2:</p> <ul style="list-style-type: none"> ● SR will reach out to Coroner for data on deaths involving THC and THC/Fentanyl combo and opinions on assumptions that can be drawn from this info

AGENDA ITEMS	DISCUSSION	ACTION/ FOLLOW-UP ITEMS
	<p>Goal 2- Increase THC risk perception: -Risk of THC use in the opioid/fentanyl epidemic. Data from Coroner may be useful -Issues related to medical marijuana -Utilize lessons learned from Denver -Need good education and policies for schools, businesses and public -Need to keep eye on illegitimate prescribers/fact that avg. card holder is young and receives for “pain” -Need to be aware of “big tobacco” marketing tactics -Data points to add: -Add actual 30-day marijuana use for 10th graders -Add # OD with THC in profile -Add OHYES Survey data points so we have data between PRIDE survey years -Strategies- Add sub-goal for education for parents with teens? Present info at school board meetings or during school orientation</p> <p>Goal 3- Decrease OD deaths: -Working with the LCOAT structure to add goals into the CHIP goals -Increase coordination and access to treatment, Increase access to naloxone, SBIRT training, Stigma campaign, Increase Certified Peer Supporters -Other things to focus on for this group: -“Intentional overdoses”- is that the case with some opioid/drug overdoses? -Increased support to first responders (not just one week for appreciation</p>	<ul style="list-style-type: none"> • SP will begin literature review related to medical marijuana • CR will add data measures to scorecards • LCOAT members will weave these considerations with current efforts and report back

AGENDA ITEMS	DISCUSSION	ACTION/ FOLLOW-UP ITEMS
	<p>- Review continuum of family support and develop opportunities where gaps exist. Work toward extending LOSS team to include families of fatal opioid OD</p> <p>- Address community trauma (consider data points around community trauma and possibly survey first responders on their coping strategies)</p> <p>-Educate on MAT and build capacity and confidence in providers to connect to treatment and recovery services</p> <p>- Explore how naloxone and other connection can be incorporated into discharge planning.</p> <p>-Address stigma- this must be a multi-pronged effort</p> <p>Goal 4- Decrease binge drinking: Discussion around SBIRT:</p> <p>-Screening and Referral are good are more commonly utilized than Brief Intervention</p> <p>-Need to inventory partners use of SBIRT, tools in use, and process of utilization (does it include BI)</p> <p>-CR can provide training on SBIRT</p> <p>- CR has been working with LCPH and providers on a possible SBIRT pilot with Second Harvest</p> <p>-Mercy is using SBIRT and is working with Let's Get Real for connection to services</p> <p>Regarding Prevention:</p> <p>-Utilize Parents Who Host campaign</p> <p>- Add measure on education of binge drinking for those not being reached by screening</p> <p>- Importance of normalization of non-drinking events for fun (like LGR's family friendly sober events)</p>	<ul style="list-style-type: none"> • Begin inventory of partners using SBIRT, Tools and practices. • CHIP SUD group to work with the MH CHIP screening workgroup to best leverage efforts • MHARS/STOP Underage Drinking Task Force will roll out Parent Who Host Campaign

AGENDA ITEMS	DISCUSSION	ACTION/ FOLLOW-UP ITEMS
<p>Agenda Item 2</p>	<ul style="list-style-type: none"> • Mapping the Work <ul style="list-style-type: none"> ○ Groups already addressing portions of these goals ○ Coordination across priorities <p>The group discussed that there may be similar action items among CHIP priorities and that collaborative work can be coordinated to leverage results. The CHIP MH priority includes increasing screening intervention. The SUD group will work with the MH group around screening and SBIRT.</p> <p>From Discussion, Groups currently working on goals:</p> <p>Goal 1- Tobacco Reduction:</p> <ul style="list-style-type: none"> -Lorain County Vaping Task Force- Just had it's first meeting to define goals. The goals align to CHIP strategies. -Lorain County Prevention Connection meets to share information about general prevention needs and resources in the schools. Several partners participate. -Lorain County Health and Dentistry has an adult cessation grant -LCPH has a grant that is intentionally aligned to the CHIP -Communities That Care focuses on environmental prevention for tobacco use, but the group is not currently meeting due to capacity <p>Goal 2- Increase THC risk perception:</p> <ul style="list-style-type: none"> -Working Partners -CTC (not currently meeting) <p>Goal 3- Decrease OD deaths:</p> <ul style="list-style-type: none"> -LCOAT <p>Goal 4- Decrease binge drinking:</p> <ul style="list-style-type: none"> STOP Task Force 	<ul style="list-style-type: none"> •

AGENDA ITEMS	DISCUSSION	ACTION/ FOLLOW-UP ITEMS
<p>Agenda Item 3</p>	<ul style="list-style-type: none"> ● Addressing the Gaps <ul style="list-style-type: none"> ○ Where do we still need work to be done” ○ How do we best approach this work? <p>Goal 1- Tobacco Reduction: -The previous CHIP tobacco group has not convened in the last 2 years.</p> <p>Goal 2- Increase THC risk perception: -In need of school representative -Chamber of Commerce perspective would be useful</p> <p>Goal 3- Decrease OD deaths: Work to mesh action items with LCOAT</p> <p>Goal 4- Decrease binge drinking: Work with MH screening workgroup and STOP</p>	<ul style="list-style-type: none"> ● Invite school representatives for work on Goal 2- possibly Franco Gallo, Kim Haney, Craig Koehler ● Connect with Chamber of Commerce
<p>Partner Updates</p>	<p>Members shared the following updates:</p> <p>LCPH</p> <ul style="list-style-type: none"> ● Health Department joined the hospitals in a tobacco free campus ● Metroparks- tobacco free event policy ● LCCC- events (i.e. football games) to be tobacco free <p>Mercy</p> <ul style="list-style-type: none"> ● New program for Hepatitis C (just added a new doctor) 	<ul style="list-style-type: none"> ●

AGENDA ITEMS	DISCUSSION	ACTION/ FOLLOW-UP ITEMS
	<ul style="list-style-type: none"> ○ Would be happy to come out to your centers for info on Hep C <p>LCADA Way</p> <ul style="list-style-type: none"> ● Shared info on their PPW grant, they are able to serve pregnant and post-partum women <p>LGR</p> <ul style="list-style-type: none"> ● New grief support group ● Family and Children’s group continues – Tuesday nights ● LGR is now involved with Wellness Court 	
Future Meeting	<p>Substance Abuse Team: All meetings are 8:30am-10:30am in the Amy Levin Conference & Learning Center: February 7, May 15, August 7, November 6</p>	<p>Possible agenda items for next meeting: View short film “Marijauana Playbook”</p>
