Please describe your reasons for wanting to serve as a Volunteer (unpaid) Board member:

Preferred Mailing Address: 117 Willard Memorial Square, Wellington, Ohio 44090

I was asked to serve because of the work I have done as the police chief of Wellington. The department, and I as chief, have worked with the mental health community to find mental health solutions for those who have been or may be pulled into the legal system in lieu of treatment. I have worked on safety service mental health programs to help create resilience for safety services which include, dispatch, fire, ems, and police personnel. We (fire, ems, police, community, churches, and strategic partners) also developed a program to assist those who suffer addiction. The program allowed those who sought help for their addiction to come to the department, be evaluated and sent for detox and/or treatment.

REVENUES:

Levy - \$161,408 & 4.4% and \$345,916 & 4.4%

 We received a higher amount from the 1st half settlement for calendar 2021 of \$257,757 based on the certification amount to be collected in 2021 by the County Auditor versus what was budgeted and delinquent payments received of \$332,219.

Local Grants - No Variance

State Allocations & Grants - (\$248) & 0.0%

• Received slightly less for Psychotropic Drug Reimbursement Program than anticipated.

Federal Allocations & Grants – (\$3,000,266) & (44.2%)

 Please refer to Allocations & Grants Supporting Schedule for detailed breakdown. Funding was not needed and was not drawn down for Indigent Patient Placement, Adolescent Treatment Services and MAT. The STOP grant ended and no further funding was received. All other grant funding not received will be carried over into FY22.

Pass-Through Grants - No Variance

Integrated Services Partnership – (\$56,133) & (6.2%)

• Decrease in amounts spent related to Placement Costs and BHJJ Grant lowered reimbursement amounts.

Miscellaneous – (\$294,603) & (60.1%)

 Variance due to decreased bed days for adult inpatient at Mercy resulting in a lower cost to the Board and less Medicaid retro funds of \$36,640 below original estimate. In addition, we did not complete the sale of the Oberlin Avenue Property in FY21 that was estimated at \$279,370.

EXPENSES:

Personnel-Salary & Benefits - \$212,282 & 11.2%

• Personnel expenses ended below budget due to unexpected staffing changes and unfilled positions throughout the fiscal year.

Operating - \$125,920 & 25.6%

• Operating expenses were under budget due to COVID, Ad-Hoc funding of allocation was not spent in FY21 and an overall reduction in operating costs in general. The overall reduction in operating costs can be seen as a reduction of the operating budget in FY22 of 11.8% or \$58,240.

Printing & Advertising - \$18,617 & 23.3%

• Printing & Advertising expenses were under budget as the Communications and Community Relations Director position was unfilled for a period of time.

Board Development & Recognition - \$4,349 & 87.0%

• Minimal expense incurred for Board Development & Recognition during FY21.

Capital Outlay - \$350,000 & 100.0%

• Building addition pushed into FY22 due to unforeseen circumstances.

Auditor & Treasurer Fees-Levy - \$5,657 & 2.9%

• Fees associated with the tax settlements are slightly under budget for the fiscal year.

Integrated Services Partnership - \$824,228 & 50.1%

• This variance is primarily due to the number of children in care was less than what was budgeted.

Pass-Through Grants - No Variance

Agency & Community - \$603,394 & 20.9%

• Please refer to Agency & Community Supporting Schedule for detailed breakdown. Variance primarily due to COVID restrictions and unspent grant funding to be carried over into FY22.

Network Agency Contracts - \$4,863,088 & 24.4%

 Please refer to Network Agency Contracts Supporting Schedule for detailed breakdown. Variance due to a budgeted but unallocated balance of grant funding in the amount of \$1,028,957, underproduction of agencies in the amount of \$1,103,281 and unused grant funding of \$2,730,850, of which 2,106,944 was attributed to SOR 2.0 funding allocations.
