

# FY 2020 COMMUNITY REPORT

The Mental Health, Addiction and Recovery Services (MHARS) Board of Lorain County brings together the expertise, resources and proud histories of the Alcohol and Drug Addiction Services Board of Lorain County and the Lorain County Board of Mental Health, following the merger of the two boards in 2019. The people served by mental health and substance use disorder systems have a common goal – recovery. Consolidating the county’s addiction and mental health partners strengthens our ability to coordinate treatment and recovery services, which helps us improve the lives of our clients, their loved ones and the community.
